

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Earl Ogletree
DOCKET NO.: 06-21675.001-R-1
PARCEL NO.: 09-35-407-029-0000

The parties of record before the Property Tax Appeal Board are Earl Ogletree, the appellant, by attorney Julie Realmuto of McCarthy & Duffy, Chicago, Illinois; and the Cook County Board of Review.

The subject property is improved with an 80-year old, two-story style dwelling of frame and masonry construction containing 1,573 square feet of living area with a full, unfinished basement, a fireplace, and a two-car detached garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on seven comparable properties. On the grid analysis, four are described as two-story frame dwellings that range in age from 78 to 142 years old. Three comparables had no detailed description provided other than classification and neighborhood codes, size, and improvement assessment. The seven comparable dwellings range in size from 1,614 to 1,956 square feet of living area. These properties have improvement assessments ranging from \$16.00 to \$17.08 per square foot of living area. The subject's improvement assessment is \$20.97 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on three comparable properties consisting of two-story frame and masonry dwellings that are 79 years old. The dwellings range in size from 1,469 to 1,578 square feet of living area. These properties have improvement assessments ranging from \$21.91 to \$24.67 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.
